Ever stay in a hotel and discover that their mattresses are much better than yours? As a result, you may have had a much better sleep. A hotel can afford good beds because they buy them in bulk at wholesale prices. Well, as part of a recent sale we made to a hotel in downtown Vancouver, we ordered extra materials and set them aside to offer to the public AT THE SAME PRICES THE HOTELS PAY!!!

Now, our three best selling hotel/motel models – the same ones in use by hotels with room rates as high as \$400 per night – are available at the true hotel contract price.
